JOB DESCRIPTION

As a corporate finance intern at Aether Financial Services, you will have in depth involvement in all types of corporate finance transactions with a large scope of intervention, by working closely with two seniors in financial services industry.

You will notably:

- ◆ Perform valuation of structured equity products (preferred shares, warrants, etc.);
- ◆ Conduct calculation for fixed income products (cash/PiK interest payments, convertible ratio for convertible bonds, etc.);
- ◆ Develop research projects on companies;
- ◆ Assist in the draft of reports;
- ◆ Enhance financial models;
- ◆ Join us in client meetings and liaise directly with our clients;
- ◆ Provide ad hoc support such as M&A valuations.

You will also take part in all aspects of the marketing development at AFS:

- ◆ Assist us in market researches, pitching and meetings;
- ◆ Prepare marketing campaign materials.

WHY JOINING US?

You will work directly with the two founders who have expertise in different aspects in finance and thus gain a broad horizon over and deep insights of the financial services industry. You will be on a daily basis in touch with the technical (finance, legal) & top management at corporates and develop your soft skills needed for a career in corporate finance.

An internship at AFS is a clever way to accomplish your corporate finance internship by learning exactly what happened on the backstage of a deal. You will learn how documentation works, where the traps are, how investors react with specific situations and finally how deals' real life is going.

YOUR PROFILE

- ◆ Highly motivated, entrepreneurial, independent and hungry to learn
- ◆ Analytical and qualitative capabilities
- ◆ Quantitative skills and familiar with statistics
- ◆ Proficient in Word, PowerPoint and Excel, knowledge of VBA, MATLAB and FactSet preferable
- ◆ Fluent in French and English
- ◆ A prior experience in capital markets is a plus
